

The background of the entire page is a dark, moody photograph of a tennis court. In the upper center, a man in a black athletic vest is leaning forward, holding a thick, braided rope. In the lower center, a woman in a light blue tennis dress with a white collar and white skirt stands looking towards the camera. To her right, another woman in a bright red tennis outfit with a white and blue V-neck detail and a red visor is holding a tennis racket. Several yellow tennis balls are scattered on the court floor. The overall lighting is dramatic, with strong highlights and deep shadows.

ABOUT US

Westedge International Sports , a customer focused company is engaged in the production of a wide range of leather clothing, leather goods, western wear garments. Established in 2014 as a local manufacturer. Although the setup of the company was quite small initially, the founders of the company had strong vision to turn this small setup, into one of the renowned companies in the apparel and accessories manufacturing. Continuing to materialize its dream with strong managerial capabilities and dedicated workforce now a days.
